

MASA Online Video Library Program

The MASA Online Video Library Program is a subscriber-based program which offers, quality, professional development programs to member school districts based upon the size of the school district enrollment. The Video Library can bring "anytime, anyplace" professional development to your school district. The Online Video Library Training program is password protected.

MASA accepts annual memberships for our online video library training program. School districts are able to access the training materials at anytime, from any location, while receiving high quality professional development.

What are the benefits of online professional development?

- *Current and up-to-date training
- *Access to professional development at your convenience
- *Access to experts in school finance and legal issue
- *Access to a wide variety of programs
- *Select the programs that most impact you and your district
- *No time away from the district
- *Save on program fees, travel expenses, meals and lodging required for out of town programs
- *Live online programs are interactive and your questions can be answered
- *Increase access to timely information, Increase Efficiency, Reduces Travel, Save on Expenses!

The Online Video Library Training Program is password protected. Each school district will receive a single password that can be shared with any employee of the school district that you believe should be allowed access to the training programs.
