

**HEALTH CARE REFORM WEBINARS
MARCH 4TH AND MARCH 8TH
9:00 am - each session**

MASA, in cooperation with American Fidelity Assurance Company, is pleased to offer two, 60 minute, webinars designed to help districts understand the new health care rules and how those responsibilities are going to impact employers and employees. American Fidelity Assurance Company does not insure major medical coverage, thus bringing a different perspective to help you make the decisions that are best for your district, while also helping to protect your flexibility in the future.

Presenters for the webinars:

Susan Relland is Chief Marketing Officer, employee benefits attorney and responsible for creating Health Care Reform educational resources for American Fidelity. Prior to coming to American Fidelity Susan practiced law in Washington, D.C. where she advised companies on health and welfare plan design and was an active participant in the Health Care Reform legislative debate.

Monica Schermier is a Health Care Reform Consultant with American Fidelity. Her primary responsibilities are to help employers and customers understand their responsibilities and choices resulting from the health care reform law. Monica specializes in Health Care Reform and has 15 years in healthcare management.
