For quick information and important considerations for investors, MASA members should visit the Missouri Securities Investor Protection Corporation (SIPC) (www.sipc.org) and Securities Investor Protection Corporation (SIPC) (www.sipc.org). PFM Fund Management LLC (PFMAM), a wholly owned subsidiary of PFM Asset Management LLC (PFMAM), allows investors to invest in FDIC-insured CDs from a network of banks nationwide. FDIC-insured CDs offer fixed competitive rates and flexible terms, especially targeting state and local governments that have limited access to traditional bank deposits. Both principal and interest are FDIC-insured up to allowable limits. Certificates of Deposit (CDs), offered by MASA’s investment advisor, PSA Management LLC (PSAM), can be tailored to specific terms and balances desired by investors.

A minimum investment of $1 million is required and the investment period ranges from 60 days to one year. Interest earned is taxable and can be withdrawn at any time without penalty.

To obtain further information or to place an order for an MASA CD, please contact Trish Oppeau, Director, at 314-815-5482 or oppeaut@pfm.com, Jason Glidden, Senior Managing Consultant, at 314-815-5481 or glidden@pfm.com, or our Customer Service Group (CSG) will line at 1-877-MY-MOSIP or 800-848-6717.

The Missouri Securities Investment Program (MOSIP) which can help you in seeking to optimize interest rates and minimize the risk of loss on your investment in a portfolio of permitted investment securities similar to those invested in Missouri Pooled Investment Fund (PIM) and can help meet your short-term funding needs as well as a portfolio of permitted investment securities similar to those invested in Missouri Pooled Investment Fund (PIM) and can help meet your short-term funding needs. MOSIP may be an option for cash that will be needed to maintain daily liquidity. However, cash that must be invested for a longer period of time may not be available). Both principal and interest are FDIC-insured up to allowable limits. MOSIP is designed as a network of banks nationwide. FDIC-insured CDs offer fixed competitive rates and flexible terms, especially targeting state and local governments that have limited access to traditional bank deposits. Both principal and interest are FDIC-insured up to allowable limits. MOSIP is designed for investors. A minimum investment of $1 million is required and the investment period ranges from 60 days to one year. Interest earned is taxable and can be withdrawn at any time without penalty.
Approximately 40% of survey meetings are an integral part of component of MASA is making sure participants regularly attend district

Nearly 75% of the survey respondents serve in districts with 1,000 students or less. Nearly 30% of survey took the Spring Conference Survey. So, their opinions regarding work the Each year the MASA Executive took the Spring Conference Survey. Regardless of your political leanings, Nixon and the votes were not there ultimately vetoed by Governor General Assembly convened in November of 2016. As we all processed the election results on the evening of November 8, 2016, it was evident that there were three major issues to be faced by the General Assembly.
