End-of-Year Planning: Make the Most of Your Incoming Funds with MOSIP

The Missouri Association of School Administrators (MASA) presents the 2022 MASA/MOSPRA Spring Conference March 23-25 in Kansas City, Missouri. Dr. Curtis Cain, Superintendent of the Upper Arlington City Schools (Ohio), will provide the event keynote addressing the importance of the intersection between leadership, learning, virtual learning, important life lessons, school climate, customer service, ethics, communications and public relations, external needs.

Participants will receive new information about the MOSIP Liquid Series and are matched to the dollar limits for their individual investors. A minimum investment of $1 million is required by the individual investor. Their MOSIP Liquid Series is a primary investment objective—safety, market price exposure and management. According to Standard & Poor’s, it is designed to provide a stable net asset value when held to maturity. The MOSIP Liquid Series is a set of short-term investments offered by the Missouri School Administrators and is owned subsidiary of PFM Asset Management LLC.

Dr. Cain’s keynote address will focus on the importance of developing leaders and leaders who lead with empathy and understanding. He will also make a case for school leaders serving as role models for their students and the community. Dr. Cain will share examples from his own leadership experiences and how he strives to inspire others to lead with empathy and understanding.

The conference will also feature a keynote address by Will Bowen, author of the New York Times Bestseller “The 5 A.M. Project,” who will discuss the importance of early morning habits and how they can impact our ability to lead with empathy and understanding. Other keynote speakers include Dr. Sharonica Hardin, Superintendent of School District 21 in Arkansas, and Sarah Riss, Superintendent of School District 22 in Missouri. The conference will also feature panel discussions and workshops on a variety of topics related to leadership, learning, and virtual learning.
